Background

The Climate Champions Team is an independently hosted team of experts dedicated to supporting the current pair of UN Climate Change High-Level Champions (HLCs). HLCs are appointed each year to act on behalf of the President of the annual UNFCCC Climate Conference (COP), and hold a unique mandate : to mobilise businesses, investors, cities, regions and civil society and act as a bridge between non-state actors and national governments to reach the goals of the Paris Agreement.

The work of the Climate Champions Team is guided by a [five year plan](#) published by the HLCs and welcomed by Parties at COP 26, which sets out a multi-year vision for the work, and an overview of the main tools and approaches. These include working with a diverse array of partners around the globe to align, activate, and accelerate action and climate solutions across adaptation, mitigation and finance. The CCT supports the HLCs to run the global campaigns of [Race to Zero](#) and [Race to Resilience](#), and to work closely with partners in the Marrakech Partnership and beyond to drive collaboration to achieve the [2030 Climate Solutions](#) - a solutions roadmap based on the [2030 Breakthroughs](#) and [Sharm Adaptation Agenda](#).

HLC and Climate Champions Teams priorities and work are further informed by the COP28 outcomes, in which Parties encouraged the High-Level Champions and Non-Party Stakeholders to consider the [outcomes of the first Global Stocktake](#) in their work with voluntary initiatives and coalitions. At COP29, Parties unanimously [renewed the mandate of the High-Level Champions for 2026-2030](#) and welcomed the continuation of the Marrakech Partnership for Global Climate Action, recognizing the critical role of Non-Party Stakeholders implementing the Paris Agreement.

To help us deliver on our plan for COP30 and beyond and ensure young people are at the crux of this work, we are launching our fifth cohort of the Youth Fellowship Programme.

Overview of the Climate Champions Youth Fellowship

The power of youth voices in reframing climate ambition and driving systematic change is incredible and the Climate Champions are committed to integrating them into our core work.

The Climate Champions Team launched a pilot global Youth Fellowship programme in 2021 and has since then hosted cohorts by creating a pathway for young professionals to contribute to a series of strategic non-state actor engagements in the build up to COP26, COP27, COP28 and COP29 to help support the delivery of the mandate of the Climate Champions Team. Now in its fifth year, the Fellowship is an evolving programme of work, and you will be expected to shape the work and your role, in collaboration with leaders and peers within the Climate Champions Team.

The Fellowship will provide an opportunity to work on the most pressing challenge in the world today.

This opportunity will suit you if you are mission driven and thrive in fast-paced, ever-evolving and diverse teams. You will need to be comfortable juggling different priorities and balancing multiple - and at times - competing demands and work in ways which are highly collaborative and engaging with a wide range of stakeholders at all levels and across all sectors of the economy, policy and society.

As a Youth Fellow placed in the StratComms Team, your key learnings and responsibilities will include the following: *(Please note that the below responsibilities and learnings included are illustrative and the scope under this section will be discussed and agreed with the line manager to create structured, clear objectives)*

1. Organisation and delivery of events, virtual events and workshops (50%)

- **Event Planning and Preparation:** Support the planning and preparation of events, including preparing and updating timelines, trackers, and checklists, and coordinating across teams.
- **Event Delivery:** Provide on-ground support at events as needed, including AV, speaker management, slides, room set-up, timekeeping, and notetaking. Support virtual events, including planning, preparation, and delivery as required.
- **Post-Event Support:** Ensure event folders are well organised and contain all materials, and assist with post-event data tracking, such as speaker diversity and inclusion metrics and audience survey feedback.
- **Event Calendar Management:** Research, map, and maintain the events calendar to ensure it is up-to-date and accurate.

2. Event marketing and promotion (20%)

- **Marketing Materials:** Assist in preparing marketing materials, such as programme flyers, social media cards, and holding slides.
- **Promotion:** Coordinate with the StratComms Digital team on event promotion, such as on social media and the Climate Champions website and newsletter.

3. Team coordination (10%)

- **Schedule Development:** Support with preparation of daily schedules for the StratComms team and suppliers (e.g. photographers) for key moments.
- **Team Coordination:** Support with coordination of StratComms tasks and responsibilities across event planning calls and materials.
- Ad hoc/additional responsibilities according to team priorities

4. Power of the collective and storytelling (20%)

- Working together with other fellows within the Climate Champions team as a Youth Fellowship team on both internal and external engagements during the duration of the fellowship.
- Collaborate with relevant organizations to design and deliver youth-targeted dialogues or workshops at key events, including COP30.
- Create engaging content for the Climate Champions website and channels, telling stories and building narratives around relevant climate topics.
